TOP VASE COMPETITION RULES

- 1** The Top Vase class is for a vase of mixed flowering stems containing a total of between 5 and 10, taken from a minimum of two different kinds of plants.
Please note that it is two different KINDS of plants, two varieties of the same plant are NOT two kinds.
- 2** The display is judged out of a total of 35 points, split into: 25 points for the colour, form, condition, quality and freshness of the flowers on display, and 10 points for the overall presentation and effect of the flowers in the vase.
The vase will be viewed from all directions. Judging of flowers should be to the normal rules used for other classes.
- 3** Stems used in the display must be showing flowers only; no seed heads or berries will be allowed.
- 4** The vase can be any shape and size and made from any material, but must be in proportion to the display. No marks are awarded for the vase itself.
- 5** No accessories such as bows and additional foliage will be allowed. Foliage which is growing naturally from the flowering stem, and still attached to that stem, is allowed. Packing material - including florists' foam - to keep the stems in place is allowed.

NOTES FOR EXHIBITORS AND JUDGES

- * Flowering stems can be taken from ANY flowering plant.
- * The different kinds of plants need to be taken from different genera. For instance, pinks, carnations and sweet william - which are all dianthus - would not be classed as different kinds.
- * Use only fresh, home-grown flowers. No dried or silk flowers allowed.
- * A vase, by definition, is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.
- * The Garden News Top Vase class is open for anyone to enter and is not intended purely for growers who regularly display in single species classes at shows.
- * Judges should use their discretion when judging the Top Vase class, bearing in mind that the entries may come from inexperienced exhibitors.
- * Please note that the display has to be viewed all round.
- * The points awarded should be clearly marked by the judges on the exhibitors' cards.
- * Any queries that may arise, regarding anything other than the above rules, should be referred to, and decided by, the show officials.

Failure to abide by any of these rules will lead to disqualification.

Other ways you can contribute to the Show

You can be involved in the CHADAHS 2010 Show in any of the following ways:

PLANT AND PRODUCE STALL

The plant and produce stall is a popular part of the Show. You can help by donating bags of fresh allotment vegetables, fruit and flowers or plants, cakes and jams. If you can help on the stall on the day of the Show please let the Show Secretaries know in advance.

Please bring any items for the stall on the morning of the Show.

EXHIBITION AREA

Pictures of the allotment sites and, particularly, the transformation of an allotment from wilderness to productive plot inspire visitors to the Show. Please contribute to the display with any creative work inspired by horticulture – photographs, stories, drawings, paintings, poems, recipes, textile crafts, woodwork etc.

Contributors are once again welcome to offer exhibits for sale, with proceeds going to CHADAHS. Last year small pieces of mounted artwork, craft items and handmade greetings cards sold particularly well.

Please bear in mind that display space is limited.

Please bring your exhibit either on Friday evening between 7.30 and 9pm or before 10.30am on the morning of the Show. If your work is for sale, price labels can be supplied and filled in on submission. For further information see notice boards at Alexandra Palace and Shepherds Hill Allotments or contact one of the Show Secretaries (see entry form for contact details).

RAFFLE AND TOMBOLA

Do you have any items/unwanted gifts to donate as prizes for the raffle or the tombola? Please drop these into your trading shed between now and the Sunday before the Show. All proceeds raised will go towards the Show expenses and the Society.

REFRESHMENTS

The Show café is very popular and we hope you can help by donating cakes, biscuits and scones. Please bring these to the hall before 10.30am or after 2pm. Ian Green (Alexandra Palace site) is once again in charge of teas. If you can, please let the Show Secretaries, or Ian, know if you can give something for the café.

If you can help at the Show please contact Juliet Mann or Julia Grant, the Show Secretaries. Their contact details are on the entry forms at the end of this Schedule.

How to join CHADAHS

CHADAHS is a society of local allotment holders and gardeners. Allotment holders are mainly from the Alexandra Palace and Shepherds Hill sites and gardeners are from the local area. The society is managed by an elected committee.

Society members are able to purchase garden products at discount prices from the two allotment trading sheds that are open on Sunday mornings at the Alexandra Palace and Shepherds Hill sites. There is a wide range of items for sale, discounted by up to 35%. These include seeds, composts, bamboo canes, netting and onion sets.

Membership of the Society gives an opportunity to learn and share knowledge and expertise with other local gardeners and allotment holders. In addition to the Annual Show the Society organises visits to gardens and nurseries.

Membership is only £2 a year.

You can join the Society at one of the trading sheds, which are open every Sunday (alternate Sundays in winter):

Alexandra Palace: 11 am – 12.30 pm

Shepherds Hill: 11 am – 1pm (11 am – 12 pm in winter)

Or you can join at the Show on 11th September.
